

The 2020 Norwayne High School
Fight Song Lyric Writing Contest

Attention Norwayne High School and Middle School Students,

The Norwayne High School Music Department is proud to announce the "2020" Norwayne High School Fight Song Lyric Writing Contest."

Traditionally, the high school marching band plays a rendition of a fight song that is based off of Yale's collegiate pep tune. The music staff would love to create a way so that fans and the choir can also be involved with the band's school spirit by singing. However, there are no current lyrics to the Norwayne fight song. To fix this problem, Norwayne students are encouraged to create lyrics to be used with the current Norwayne High School Fight Song.

Contestants may submit their lyrics from now until April 3, 2020 by emailing Mrs. Ratica at leratica@norwayne.net. An MP3 file of the current fight song can be heard by visiting norwaynemusic.com. Please be sure to include your full name and grade level when submitting your lyrics. A selection committee will review all submissions and make a recommendation on the winning lyrics which will be presented to the school board for final approval.

Contest Guidelines:

1. Contestants must be a current Norwayne High School or Middle School students to participate.
2. Lyrics must be original and not copied from another school's fight song.
3. Winners will receive a \$25.00 iTunes gift card as well as bragging rights 😊
4. The winning lyrics will be posted in the Norwayne High School and the Norwayne Middle School and premiered at the first football game next fall.

Have fun and good luck!!!

Sincerely,

Mrs. Leanne Ratica, Director of Choirs, Norwayne Local Schools
